THE BIGGEST HEART IN MANCHESTER

OUR HEART'S IN THE RIGHT PLACE... MANCHESTER.

THE STORY OF I LOVE MCR

I Love MCR® is an independent organisation which was launched in reaction to the infamous riots in Manchester and Salford during the summer of 2011. An antidote to anti-social behaviour, harnessing the energy of a huge community and expressing our unconditional love for the city.

Out of the carnage came creativity. **I Love MCR®** has become a trusted symbol of civic pride and a platform for people who love Manchester which helps boost local economy.

I Love MCR® fearlessly and optimistically champions a better future for the city.

Our heart's in the right place. Manchester.

WHY YOU SHOULD ADVERTISE YOUR BRAND WITH I LOVE MCR

Manchester is booming. It's one of the fastest growing cities in Europe and the UK's second city, the economic hub of the north - the northern powerhouse! In the last decade, the population of Manchester city centre has increased from 5,000 to 25,000.

Total visitor numbers to Greater Manchester stand at 115 million which generated £7.5bn to the local economy in 2014. That's visitors spending money on food, drink, entertainment, shopping, transport, and accommodation in Gtr Manchester.

We've captured these people by caring about our beloved city and its people. **I Love MCR®** is a positive and trusted voice which can connect your business to a captive audience of over a million people in the north west and beyond who use our platforms regularly.

BE SEEN ON A BIG BILLBOARD

OUTDOOR MEDIA AKA OUT-OF-HOME MEDIA IS BECOMING MORE AND MORE POPULAR

Thanks to **I Love MCR** investing in out-of-home media, advertising your business on big billboards in Manchester is now even more affordable.

Incase you needed more reason to advertise your business and see your brand on a big billboard, here's five big reasons why you should get in-touch now...

ALL EYES ON ME

Outdoor aka out-of-home media connects with the ever-growing population of people (of Manchester) in real time either on foot or in a vehicle stuck in traffic.

CAN'T MISS IT

It's hard to avoid a billboard. It's easier to skip a radio or TV advert. Because we know the city so well, we've strategically picked out billboards in high-visibility, high-traffic locations ensuring that your adverts will receive thousands of quality impressions.

INSTANT HIT

Because our billboards are digital, you can instantly change your artwork/message as often as you need to.

OUTDOOR WORKS

Customers don't just glance. They tend to engage. In fact, they spend measurably longer looking, they remember what they see and are motivated to take action.

PLUS, IT'S NOW AFFORDABLE

WE'RE HERE TO CHANGE THE IDEA THAT DIGITAL OUT-OF-HOME MEDIA IS BEYOND THE REACH OF MOST ADVERTISING BUDGETS. ADVERTISE ON OUR BILLBOARDS FROM AS LITTLE AS £16 PER DAY*

*FROM £500 PER MONTH

OHH, APPY DAYS

MOBILISE PEOPLE WITH THE I LOVE MCR APP

The **I Love MCR** app is the ideal way to get savvy with Manchester's truly mobile market. Many of our clients are keen to gain exposure to a targeted, mobile audience. An audience that is captive, responsive and impulsive. We took this feedback on board, did the research and decided to develop the **I Love MCR** App.

The app features a hand picked range of Manchester's best offers, experiences and events, as well a newsfeed of our Manchester features and reviews.

MOBILE IS THE DEVICE OF CHOICE TO INTERACT & COMMUNICATE

People engage with their mobile device on average every 30 minutes

WE'LL LITERALLY PUT YOU ON THE MAP

We use gps to show offers and events nearby the mobile user at any time.

STRENGTHEN YOUR BRAND'S PRESENCE

Your profile will display your logo and cover image (product or venue).

DRIVE YOUR FOOTFALL

People are more likely go out of their way to visit you.

INCENTIVISE A NEW CUSTOMER BASE

When searching for offers nearby or in a certain area, people will have another reason to visit you and it's your job to make sure they return and consume other products.

BE PART OF THE CONVERSATION

We actively market and talk about our app every day so ultimately it's even more advertising for you.

IT'S CHARITABLE

We encourage users to donate what they've saved to our chosen charity.
